LED Strips Light Decorative Luminaire

شريط إضاءة ل دي د إنارة ديكور

- Input Power 6W/M • Input Voltage AC 220-240V~ • Power Frequency 50/60Hz • LED Type 2835 • Environment Temperature -25~40 °C • Related lumen maintenance factor: ≥85% • Light size: 50 Meter/Roll • MEAS 320x320x150MM • Lifespan 15,000hrs • 80% Saving Power • Warranty 2Years • CRI >19 • Indoor use only • IP20 • LED Quantity 180 QTY/M

RFE-0344A Type C

- Brightness: 76 lm/m • Lumen Efficiency: 12.6 lm/w
- Color Temperature: Red

Made in China

0 73428 42713 1

The image shows the Rafeed logo at the top, which consists of a stylized 'r' and 'a' followed by 'afeed' in a sans-serif font, with a registered trademark symbol. Below the logo, the text 'Made especially for the Kingdom of Saudi Arabia with the highest specifications' is written in English, followed by its Arabic translation: 'صنعت خصيصاً للمملكة العربية السعودية بأعلى المواصفات'. Below this, there are eight circular icons arranged in two rows of four, each containing a specific technical specification for the product.
